## **Knight of the Month**

The Knight of the Month for October 2011 is Ray Brosch. Ray has been a 3<sup>rd</sup> Degree Member for 17yrs. and is an excellent volunteer in everything the Knights do for the community. Ray is also our Tootsie Roll Chairman. This year we had a successful weekend Sept. 16-18 as we reached our goal with the relentless effort from Ray, as he was always making sure we had all locations covered in town even if this meant making phone calls when someone was needed. **"Thank You"** Ray for a job well done and for your continued support with the Knights.

## **Family of the Month**

This month I decided to give this award to the Joe A. Langhauser family. Joe has been a 3<sup>rd</sup> Degree member for 38 yrs. as well as a 4<sup>th</sup> Degree member and is our Financial Secretary. With Joe's guidance and outstanding work as Financial Secretary our Council has achieved many goals. Joe is diligent in keeping the paperwork in order for the state which is important for us to succeed. His family is very supportive of his time with the Knights which is important for him to do his job so well. **"Thank"** Joe and his wife Sylvia, for their continued dedication to the Knights.

The **Family Picnic** held on Sept. 11<sup>th</sup> turned out to be a very nice day. A great meal was served with those attending having a very nice time socializing with other Knights and their families. Although the day had many other community activities going on we still had a good time. In the future we need to try and make this an important family event to come together as one unit.

**K of C Day at Busch Stadium** on Sept. 24<sup>th</sup> was a good time for those who went to watch a thriller by the Cardinals scoring 2 in the bottom of the 9<sup>th</sup> to win the game. The attendance was lower from years past but for those who attended it was a great time. This is an event that we need to bring back to what it was as we use to take bus loads to the game. Hopefully next year we can rekindle the life back to this event and remember what the proceeds got to...making someone's life better at the Cardinal Glennon Developmental Centers in St. Louis and Maryville.
